

Excerpt from 1943 Annual Meeting

Mr Joseph Watson was asked to secure someone to clean the church for the year.

Mr Watson gave a few well chosen Remarks. He said He felt we should all be thankful that our church and all the different organizations

were able to give such satisfactory reports. And mentioned the clear & fine way they had all been given. He thought if we would all adopt the Envelope system, it would be a benefit to all. Mr Slamer then said "He would like to say many Thanks to the Pastor, Choir, members and workers of our church." He spoke of the the Pleasant Smile and kindly words of Mr Mercer always, and said they were a great inspiration to us all. Even if he had needed to remind him of dozing off to sleep a time or two during the year.

Mr Mercer replied & gave the congregation a great deal of praise for their untiring efforts and said, "Please, every body who can, when you can come out to church, as often as you can. Everything seems to go along so much better when the seats are filled" Also he asked all to be patient with him. For he waicnt able to visit

his congregation, as he would like on account of Gasoline shortage. But said "He would try to visit the sick & shut ins. After we sang "O best be the Tie That Binds" The Pastor closed the meeting with Prayers.
